Northern District of Ohio**

**In Re: National Prescription Opiate Litigation**

Case Number: 1:17-md-02804-DAP

Date: January 2, 2020

Document Number: No document attached

Docket Text:

**Order [non-document] - NAS Plaintiffs Motion for Leave to File Fourth Amended Class Action Complaint (Doc. #: [2986]) is DENIED. In its September 17, 2019 non-document Order, the Court granted NAS Plaintiffs an extension of time to 12:00 PM, October 7, 2019, to file amended class action complaints. The Court further made it very clear that no further extensions of time will be granted on this issue. Thus, there is no doubt that NAS Plaintiffs request is untimely. NAS Plaintiffs do not even attempt to assert that there is good cause for their failure to make these amendments by the Courts deadline, and despite their assertions to the contrary, the Court agrees with Defendants Opposition (Doc. #: [3034]) that the proposed amendments would prejudice Defendants. Judge Dan Aaron Polster on 1/2/20. (P,R)**
