) AMENDED RULING REGARDING
) OGDENSBURG INTERROGATORIES

On February 5, 2026, the undersigned issued a *Ruling Regarding Ogdensburg Interrogatories* (docket no. 6423), directing that Ogdensburg “must respond to the following [two] rewritten interrogatories.” *Id.* at 3. The two interrogatories thereafter set out, however, did not include revisions the PBMs had earlier agreed to—that is, the Special Master copied the wrong language into the *Ruling*. Accordingly, this *Amended Ruling* amends the earlier *Ruling* and sets out here the corrected rewritten interrogatories to which Ogdensburg must respond:

[REVISED] INTERROGATORY NO. 17: Identify **40** individuals in the City who, as a result of the PBMs’ alleged actions, (a) became addicted to Prescription Opioids or Illicit Drugs; (b) was injured as a result of consuming Prescription Opioids; and/or (c) died as a result of consuming Prescription Opioids, and identify the Document(s) from which such identification was made.

[REVISED] INTERROGATORY NO. 18: For **150** prescriptions (**at least 50 authorized by each PBM**) that You contend were improper and upon which You base Your claims in the Litigation, or that you contend caused or led to Your alleged harm in the Litigation, identify: the specific prescription; the name, national drug code, dosage, and quantity of the controlled substance dispensed; the dispensing pharmacy; the dispensing pharmacist; the dispensing date; the amount and method of payment; and an explanation for how the prescription supports Your claims.

In light of this correction, the deadline for filing objections is changed to February 25, 2026,

and the deadline for responses to objections is changed to March 4, 2026. No replies are allowed.

RESPECTFULLY SUBMITTED,

/s/ David R. Cohen
